| Cultural Diversity Faculty Learning Community |
| b. Description: |
| The University of Cincinnati Blue Ash College Cultural Diversity FLC continues the work of the diversity series by engaging more personally with diversity issues. In this safe environment, we will explore our experiences of dealing with diversity through personal assessment using the Intercultural Development Instrument, immersion experience training, and frank discussions. Participants will create individual diversity plans and create ways to foster the advantages of diversity in their work. Both faculty and staff are welcome in this learning community. |
