Laptop Requirement

UCBA students will need a laptop computer that runs either Windows or Macintosh operating systems and can be brought to class when required for in-class computer usage. This laptop requirement ensures you will have adequate and timely access to the electronic resources necessary to be a successful UCBA student. Chromebooks or tablets cannot access all of the electronic educational material used at UCBA, so they are therefore not considered a suitable replacement.

Please note that UCBA's Emedia and Art and Visual Communications programs have more specific laptop requirements which can be found on their programs' pages. Students enrolling in transfer programs should also consider any laptop requirements of their intended transfer program.

ONE STOP

Understanding Your Bill

- Federal and State financial aid (grants and loans) posts to your bill 10 days prior to the start of the term. Students should check their bills before calling with questions.
 - You may view your bill by logging into your Catalyst account and navigating to the “My Finances” tab. You will be able to see when grants, loans and scholarships have posted to your bill. You will also see when refund checks are mailed or funds are direct deposited. Bills are not sent by mail. *We suggest that students check their bills often, as changes in registration will be reflected on the bill.*
 - If you would like a third party (such as a parent or guardian) to have access to your record to view/pay your bill, view financial aid or view class schedule and/or grades, The Family Education Rights and Privacy Act of 1974 (FERPA) requires a release by the student. You can grant access
- by logging into your Catalyst account and selecting **Quick Links** and **Give Parent/Guest Access**.
 - Direct Deposit allows you to receive any financial aid refunds directly to your designated bank account. Sign up on your Catalyst account under the **My Finances** tab and select **Billing Information** then **Direct Deposit Enrollment**.
 - Students may sign up for a payment plan. Sign up on your Catalyst account under the **My Finances** tab and **Billing Information** then **Payment Plan Enrollment**.
 - If your bill remains unpaid, late fees will be added. Late fees are assessed on the last day of every month. A \$50 flat late payment fee plus 1.5% interest will be charged on balances greater than \$200.
For more information, visit www.uc.edu/af/bursar/paying_your_bill/latepayfees.html
- UC students enrolled in 6 or more credit hours are required to have health insurance; all students, therefore, are automatically enrolled in the University Health Insurance plan. If you have existing health insurance, you must waive the University Health Insurance by logging into your Catalyst account and navigating to the **My Finances** tab. Make sure your pop-up blocker is turned OFF. Health insurance must be waived each academic year. Please be aware of deadlines to complete this waiver.

Students may check the status of their health insurance in their Catalyst account. Please allow up to 30 days for processing the waiver and removal of this fee from your bill, if approved. For more information, visit uc.edu/uhs/student_health_insurance or call 513-556-6868.

Waiving Your Health Insurance

The University of Cincinnati requires all students registered with 6+ credit hours to be covered by a health insurance policy; either the University’s Plan policy or a

policy that is equal to or better than UC’s. Find more information about the UC Student Health Insurance plan at uc.edu/uhs/student_health_insurance.
