PROFESSIONAL EXPERIENCE

SMILE IOWA, Iowa City, Iowa, 20xx-Present Dental Hygienist, Family and Cosmetic Dentistry

Provide exceptional oral hygiene care to a variety of patients. Conduct nutritional and personal hygiene counseling as well as educate patients on preventative care to ensure health and wellness. Call patients to schedule recall appointments.

- Care for each patient with personal attention while performing prophylaxis/dental cleanings and routine oral exams.
- Instructed patients on the best methods for practicing oral hygiene.
- Devised and implemented customized personal treatment plans.
- Delivered fluoride applications.
- Examined patients and took intra-oral X-rays.

JOHN DOWE, DMD, Iowa City, Iowa, 20xx-20xx Dental Hygienist, Family and Cosmetic Dentistry

Delivered expert oral hygiene care to each patient. Provided patients with preventative care techniques to ensure optimal dental health and personal well-being.

- Cared for a minimum of eight patients per day.
- Treated some of the same patients for 25 years, and retained the same patients after the dentist retired.

- Worked collaboratively with patients to develop personalized treatment plans.
- Partnered with the dentist and patients in implementing their dental treatments and continued dental care.

JOHN SMITH, DMD, Iowa City, Iowa, 20xx-20xx
Dental Assistant

Provided diligent dental and hygiene assistance during surgery, services, and cleanings. Maintained equipment and sterilized dental instruments. Answered phone calls, scheduled appointments, and charted dental records. Trained new employees on back office duties.
