

Mentoring Relationship Agreement

Groundwork

- How often will we meet?
- What methods of communication is best for us?
- Who will be responsible for setting meetings?

Friendship with a Vision

- What are the goals we would like to work towards in this mentoring relationship?
- What is one thing we want to accomplish together?

Expectations

- What are the expectations we have for each other in this relationship?
- What are the ground rules we can set?

Agreement

We to agree to honor and uphold this mentoring relationship agreement as outlined above, and if changes need to be made, we will make those decisions together. We promise to assess the progress we make and the goals we accomplish throughout the year. If this relationship decides to end before the end of the academic year, we will respectfully notify one another as well as the Mentor Coordinator.
