## Please Read and Initial Each Line:

\_\_\_\_\_ I understand I should plan on paying for my books/supplies and have a means to pay my entire percentage portion of my UC bill upfront. I understand that VA will not issue any housing allowance until the end of each month after they have processed the school's certification report. (Note: student's will only receive the BAH if enrolled at more than ½ time rate and not enrolled in ALL independent study type courses)

\_\_\_\_\_ I understand that I am responsible for completing and returning the required paperwork listed for my specific chapter of benefits.

\_\_\_\_\_ I understand that VA will only pay benefits for classes that apply to open requirements in my current official degree major. VA will not pay benefits for surplus classes, non-required repeated classes, or classes that are solely for a future degree goal.

\_\_\_\_\_ I understand that all recipients of VA chapters (Other than Post 9/11 Chapter #33) should plan on paying their semester's tuition by means other than VA chapter benefits since VA typically pays these benefits on a monthly basis after the student has completed each month of school. Also it may take 6+ weeks to receive the first VA pay check, depending on the accuracy of your military records, the status of your VA file with the VA, the location of your VA file, how backed-up VA is in processing claims for education benefits, etc. Even chapter 33 should plan on paying up front to avoid blocks.

\_\_\_\_\_ I understand that failure to comply with the rules and regulations of the VPS office in accordance with VA Educational Benefits may result in overpayment of these benefits. I agree that any such overpayment that is charged to and paid by the University and/or any additional collections costs which I may incur in collecting such overpayment will be my responsibility.

\_\_\_\_\_ UC encourages everyone to apply for financial aid (513-556-6982).
